

**UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF NEW YORK**

IN RE AMAZON.COM, INC. EBOOK ANTITRUST LITIGATION
--

Case No. 1:21-cv-00351-GHW-VF

**JOINT STATUS REPORT**

The parties jointly provide the following report on their progress in discovery. *See* ECF 271.

**1. Discovery and Schedule**

In the parties' last status report, Plaintiffs signaled their intention to work with Amazon's counsel on a schedule extension to accommodate outstanding discovery issues. *See* ECF 270 at 1. Among those issues were technical problems and inadvertent data errors that the parties recently discovered with Amazon's data production. The parties therefore have agreed that Amazon will replace its prior data production with a corrected production.

In addition to data discovery, Plaintiffs and Amazon continue to work through discovery requests relating to class certification and other matters.

The parties' third-party discovery efforts are also ongoing. Plaintiffs and Amazon have issued subpoenas to the Big Five Publishers and have been negotiating the scope of data and document productions with them. Further, Plaintiffs have subpoenaed eBook retailers and are making progress on the scope of the retailers' data and document productions.

The parties are finalizing a proposed schedule modification to account for the foregoing developments, which will be submitted separately to the Court for its consideration.

DATED: November 12, 2024

Respectfully submitted,

**HAGENS BERMAN SOBOL SHAPIRO LLP**
